

## Funktionalitet i iOS Forælder app vs. PC browser

The image compares the user interface of the Tabulex iOS app and its PC browser version. Red circles with numbers 1-6 highlight specific UI elements in both views.

- 1:** User profile (Lise BH) in the top bar.
- 2:** Left sidebar menu in the PC browser.
- 3:** Main content area (Opslagstavle) in the PC browser.
- 4:** Top navigation bar with icons for 'Opret aftale', 'Meld syg', 'Meld fridag', and 'Beskeder'.
- 5:** 'Status' widget showing 'Ikke Kommet' and '25:00 modultid tilbage'.
- 6:** Calendar widget showing 'Uge 31' and dates from 'Mandag 31. juli' to 'Fredag 4. august'.
